

Rotterdam from Vienna: acoustic instruments receive treatments with socks, credit cards and set squares, creating perfect textures marrying dissonant acoustics with electronic sounds. Interlocking rhythms in endless loops keep time suspended. Like through a looking glass, the focus is on the detail. Inspired by club music, Rotterdam create something entirely new: danceable man-machine-music between minimal music and Krautrock, post-techno, humor and hypnosis.

Lineup

Susanne Amann: Cello, Flute, Electronics

Michael Klauser: acoustic Guitar, Tuba, Electronics
